Here are some of the ways I have used this great little box.

Here I have used the box to add a small gift, the travel sized soaps, body lotions, etc. make great fillers for this box.

Here I have filled the box with the cards we also made in the same class. I tied the cellophane bag with linen thread, added a tag and some Cherry Cobbler ½" Seam Binding to finish off the gift.

I hope that you enjoy making your box and that you find it useful to years to come. If you would like the instructions for the cards included in the box. Visit my Free Tutorial Page to download.

Bye for now,

Kris
