

OPTION 12

Cut 4 pieces of DSP 9cm x 13.5cm. Place short edge at the top of the paper trimmer and cut at 5cm.

Rotate the 5cm piece and cut 5cm off the top.

Take the 4cm piece and cut 5cm off the bottom.

Take one piece from each piece of Designer Series Paper and attach it to card panel 10cm x 14.3m.

Can use embossed coloured card in place of one or more of the DSP panels.

Creates 4 cards.
